Banfi is a private wine marketer, founded in New York in 1919 and today owned and operated by the same family. The company's sole business is wine, importing into the U.S. and producing wine in Italy.

Banfi Vintners is the sole importer of Banfi's Italian wines along with several other 'lines', principally from Italy, Chile and Australia.

Ranked as this nation's leading wine importer for 3 decades and is the exclusive importer for 3 of the current top ten imported wines - Concha y Toro of Chile at #1, Riunite of Italy at #2 and Walnut Crest of Chile at #8.
